TRIUNA COLLECTION

Designed by Manfred Petri, Triuna Collection embraces the shrinking footprint of modern executive workspaces, with design as imaginative as it is timeless. Triuna's elevated tops and signature knife-edge profile lighten the scale of the furniture—without compromising usable work surface or storage. Further distinguished by hand-inlaid wood marquetry and distinctive architectural trims, Triuna offers a progressive twist on classic style for today's private offices, reception areas and collaborative spaces.

LUXURY AT WORK

TRIUNA FOR PRIVATE OFFICES. Elegant and versatile, Triuna adapts to both space-efficient and generously scaled private-office footprints with equal success. Legendary Geiger wood veneers, embellished with distinctive storage trim details and marquetry options, impart executive-level luxury; thoughtfully integrated power and technology options offer effortless connectivity. Available in custom-specified one-inch increments, Triuna creates private offices that precisely fit the work patterns of busy executives.

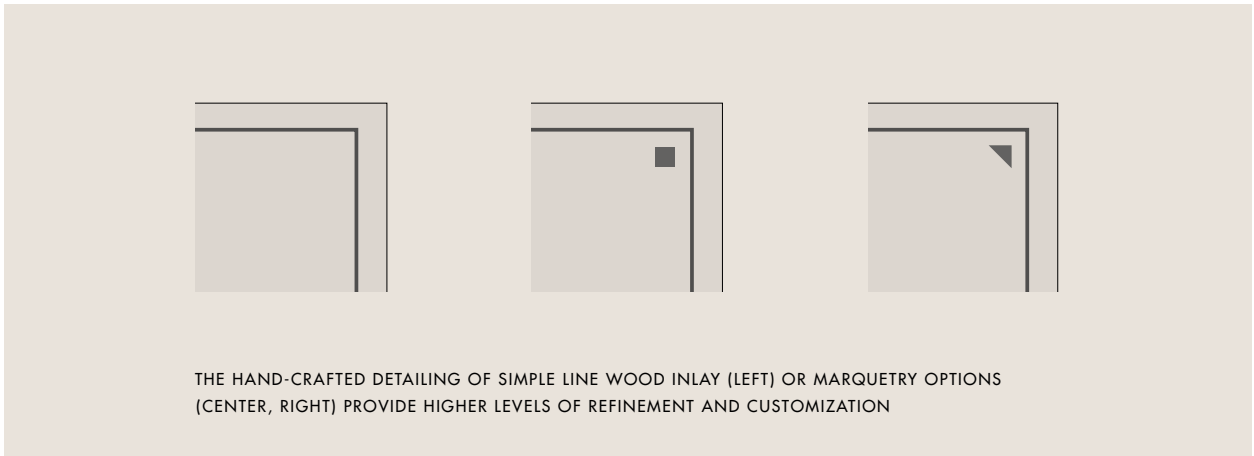

TRIUNA STORAGE UNITS WITH DOME PULLS CAN FEATURE HORIZONTAL TRIM (LEFT) OR SINGLE LINE TRIM (CENTER), WHILE UNITS WITH WOOD LIP PULLS CAN INCORPORATE TRIPLE LINE TRIM (RIGHT)

TAILORED TEAMWORK

TRIUNA FOR COLLABORATIVE SPACES. In functional group settings, Triuna meeting and occasional tables provide hardworking surfaces for teaming and meeting—whether a planned session or an impromptu brainstorm. Specify elegant Triuna marquetry and trim to match other Triuna offices, or introduce them as distinguishing features in collaborative settings. Either way, Triuna's refined details punctuate exquisitely finished, hand-selected Geiger veneers on surfaces designed for productivity and creativity.
