General Information

Terms and Conditions of Sale

GEIGER

Application of Standard Terms

Only the standard terms of sale stated in this catalog apply to any transaction unless those terms are modified or supplemented by a written document signed by an officer of Geiger International, Inc. ("Geiger"). Any terms contained in Customer's purchase order, including standard printed provisions, that are additional to or contrary to these terms, are not effective.

Use of Furniture and Materials

Geiger assumes that textiles, leathers and products are intended for commercial use and are not being bought for use primarily for personal, family, or household purposes. When installed and used as intended, products remain chattel property, are not considered fixtures, and no interest in them should arise under applicable real estate law.

Furniture Prices

Prices are determined by using the published list prices in effect when Geiger receives Customer's completed purchase order. If Customer's requested ship date is more than three months after Geiger receives Customer's order, it may be repriced using the list prices in effect when products ship. If Customer designates special finishes or options, additional charges may apply. Services such as design, project management, packaging, storage, inside delivery, double handling, installation, or inventory management are not included in Geiger's list prices.

COM / COL Procedures

If an order includes Customer-supplied materials, Customer must ship those materials to Geiger at Customer's own expense. The materials must be tagged with Geiger's confirmation number, item number, Customer's name, and purchase order number. Geiger is not liable for inadequacies in Customer's materials. Geiger will notify Customer of any apparent defects in Customer's materials before manufacturing.

Taxes

Customer is responsible for any local sales taxes or other similar taxes imposed on transactions.

Delays

Geiger is not liable for failure to ship by the acknowledged shipping date or any other date. Geiger is not liable for a delay or failure in shipment or performance if the delay or failure is caused by acts of omission of Customer, its agents, employees, contractors, a governmental authority, or God; delays in transportation; or other similar causes that are not within Geiger's reasonable control. Geiger is excused from further performance of its obligations for the duration of a force majeure cause.

Changes and Cancellation

Geiger's acceptance of an order is final and binding and an order may not be changed or canceled without Geiger's written consent.

Orders placed on any of Geiger's expedited shipment programs and orders of custom-dyed or custom-woven materials may not be changed or canceled. To change or cancel other orders, contact Geiger Customer Care in writing for authorization and applicable charges.

Storage

If Customer cannot accept delivery when products are ready, Geiger reserves the right to transfer products to storage and products are invoiced at that time. Customer is responsible for actual storage charges and any other expenses relating to the storage of products or materials that Geiger incurs. Customer bears all risk of loss for products or materials in storage.

Freight Terms

For casegoods and seating orders shipped within the 48 contiguous United States, surface freight charges are included.

For textile and leather orders actual packing and freight charges will be invoiced. Orders are shipped UPS ground unless requested otherwise.

For orders shipped to Alaska or Hawaii, the freight terms stated above apply only to the port of embarkation. Shipments beyond that point are freight collect. Domestic deliveries are shipped FOB Geiger's plant to a destination designated by Customer by a method Geiger selects.

Packaging and Shipping

Geiger's casegoods products are shipped in component form. Shipments over \$50,000 net are blanket wrapped. Tops and panels are shrink wrapped with cardboard corner protection. Pedestals, storage units, overheads and vertical storage units are wrapped in blankets and shrink wrapped with cardboard corner protection. Blankets are to be returned to Geiger for reuse. If the customer request cartoning on orders over \$50,000 net, there will be a charge of five percent of the net order. Packing materials are recyclable.

Shipments under \$50,000 net are cartoned. Cartoned shipments are packaged with a combination of cardboard channels and shrink wrap. Packing materials are recyclable.

Geiger's seating is cartoned in boxes for less than truckload shipments. Full truckload shipments are blanket wrapped.

If Customer requests special shipping or delivery methods, Customer is responsible for any extra costs that result.

Packaging and Shipping (continued)

Customer obtains title to products and materials, and assumes the risk of loss for them, upon shipment from Geiger's plant. Geiger reserves the right to make partial shipments, of truckload quantities, as products are manufactured.

Effective May 2, 2011 Geiger will add a shipping charge to all purchase orders under \$100,000 list. The amount of the shipping charge will be equal to a percentage of the overall list price of the entire order based on the ship to address. These charges will not be discounted.

International Shipping

Orders for export are shipped Ex Works factory (Incoterms 2000). The charge for export packing is five percent of the net order value. There are no export packing charges on shipments to Canada.

Claims

All blanket wrapped shipments must be unwrapped and inspected at the dock, in the presence of the driver. Claims for "concealed damage" or "subject to inspection" will not be honored on blanket wrapped shipments.

All cartoned shipments must be inspected for visual outside damage to the package.

Damages and piece count shortages must be noted on the bill of lading. Freight claims must be filed within 30 days (including cartoned shipments with concealed damage). Contact Customer Care for a warranty/freight claim form and send it by fax, mail or email to:

Warranty

Geiger International, Inc. ("Geiger"), 6095 Fulton Industrial Blvd., SW, Atlanta, GA 30336-0068, USA, warrants the products sold by it to be free from defects in material and workmanship, regardless of the number of shifts during which the products are used, for the warranty periods specified below.

This warranty covers the sale of Geiger product in all countries. Not all of the product lines appearing on this list are marketed by Geiger in all countries, and appearance on this list does not imply an offer for sale of a product line in a particular place. Product line availability is defined in current price lists applicable to different regions.

Geiger Commercial Office Furniture Products

12 years

All products sold under the Geiger® brand name, except as limited or described below.

Textile Alliance ProgramSM Fabrics

3 years

Includes, but is not limited to Luna, Bergamo and True fabrics and Edelman leathers.

IntersectionTM Fabric

3 years

Nonstandard Products

1 to 5 years

Warranty length on nonstandard products not covered by the 12-year warranty is identified on individual product quotes.

All Other Products, Parts, and Services

5 years

Electronic ballasts used in task lighting

3 years

All service parts

6 months

All other products, parts, and any services not listed above, sold or furnished by Geiger, except for consumable products such as light bulbs and other electronic products for which no warranty is given

Other Manufacturers' Products

None

Geiger will pass through to the original purchaser any warranty supplied by other manufacturers to the extent possible, including, but not limited to, open-line laminates.

Provisions that apply to all products and services:

During the applicable warranty period, Geiger, as its sole obligation, will repair or replace (at

Warranty (continued)

its option) any product, part, or component covered by this warranty and sold after the effective date of this warranty, which fails under normal use as a result of a defect in material or workmanship; Geiger will repair or replace the aforementioned product, part, or component with a comparable product, part, or component.

This warranty extends only to the original purchasers who acquire new product from Geiger, or its authorized resellers. Any product, part, or component must have been installed, used, and maintained according to Geiger's published instructions in order to be eligible for coverage under this warranty and must not have been subject to misuse or abuse. Any modification to the original product voids the warranty. Geiger does not warrant the performance of the product when used in combination with other than original Geiger product.

The warranty period starts from the date of purchase.

This document inclusively describes all of the warranties given and remedies available with respect to the company's products and services. Geiger disclaims any other warranty whether express or implied, statutory or otherwise, in relation to the products.

Geiger does not warrant:

- natural variations in wood grain or figure or the presence of character marks
- changes in surface finishes due to aging or exposure to light
- marks, scars, or wrinkles occurring naturally in leather
- veins, marks, voids, fissures, or cracks found naturally in stone

In addition, Geiger does not warrant:

- failure resulting from normal wear and tear
- the matching of colors, grains, or textures of natural materials
- the colorfastness or the matching of colors of textiles, including an exact match to cuttings or to swatch cards
- damage, marking, or staining of veneer surfaces due to contact with rubber or similar compounds; damage from sharp objects or imprinting from writing instruments, or prolonged exposure to direct sunlight

Geiger tests Customer's Own Material (COM) and other customer-supplied items for manufacturing quality only and does not provide any warranty with regard to these materials.

Geiger does not warrant products that are exposed to extreme environmental conditions or that have been subject to improper storage.

Warranty (continued)

Geiger's products meet the requirements of national and specific local codes as stated in the price books and other written publications.

TO THE EXTENT ALLOWED BY LAW, ANY IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE DISCLAIMED AND TO THE EXTENT THEY ARE LEGALLY REQUIRED, ARE LIMITED IN DURATION TO THE DURATION OF THIS WRITTEN WARRANTY.

GEIGER SHALL NOT BE LIABLE FOR LOSS OF TIME, INCONVENIENCE, COMMERCIAL LOSS, OR INCIDENTAL OR CONSEQUENTIAL DAMAGES.

Applies in US only: Some states do not allow limitations on how long an implied warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages, so the limitations or exclusions in the two preceding paragraphs may not apply. This warranty gives the purchaser specific legal rights; however, the purchaser may also have other rights that may vary from state to state.

Applies outside US: Except as stated above, Geiger will not be liable for any loss or damage (including costs) however caused, whether direct or consequential, incurred or suffered by the purchaser or any third party in respect of the products but nothing contained herein will or will be considered to exclude or restrict any liability on Geiger's part for death or personal injury resulting from negligence.

Limitations and Disclaimers

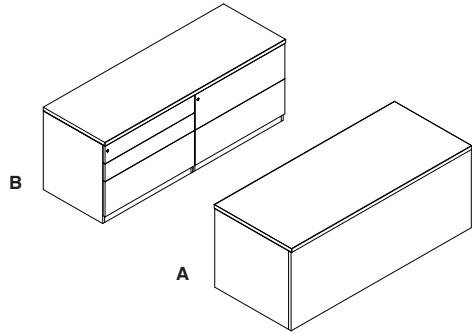

Geiger is not liable for loss of time, inconvenience, lost profits, commercial loss, or other special, consequential, or incidental damages for any transaction.

Geiger reserves the right to change its designs, its methods of construction, or its prices, charges, or policies at any time without notice to Customer.

Design Rights

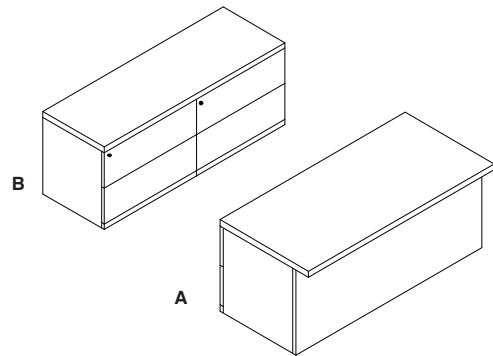

The designs depicted in Geiger's catalogs and price lists are proprietary to Geiger and Geiger reserves the exclusive right to manufacture them. Any reproduction of these designs infringes Geiger's rights and that infringement will be prosecuted.

C	NFT3-18922	Keyeira two-piece tackboard	567
Keyeira Total List			\$11,964

How to Specify

- For each product ordered, specify a product number string. The string should include the product number and all finish and detail codes listed at the bottom of the pricebook page under "Specify."
- Specify the finishes and details in the same sequence shown on the pricebook page.
- Product number string example:
 TDF5LA43172 644 N02 G926 LK

The product number string above includes all the required codes for a Keyeira rectangular desk with the following specifications:

Product Number TDF5LA4-3172
 Wood Finish 644 Henna Cherry
 Edge Detail N02 Radius
 Pull GABL, Arc (Black)
 Locks LK Black

General Notes

- Most units ship unassembled; all hardware for assembly is included; tackboards and light fixtures ship uninstalled.
- All tops are 1 3/16" thick. Depth dimensions include 1/4" edge overhang.
- A pencil tray is included in the top box drawer of all pedestals with box drawers.
- Hanging file frames are included in all pedestals and low storage with file drawers. File frames accommodate letter or legal files.
- Locks are available on pedestals, low storage units, vertical storage, wall mount overheads and stacking storage.

Electrical Access Doors

- L returns, rear units and kneespace credenzas with electrical access back panels include a hinged electrical access door, centrally located in the kneespace.

Kneespace Width	Door Width
24" to 31 1/2"	16"
32" to 41 1/2"	24"
42" and wider	30"

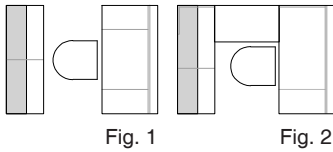

Wall Mount Overheads

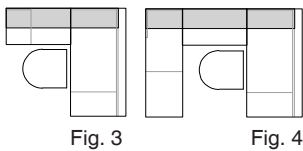

- Customer should give close attention to the integrity and stability of the wall on which any wall mounted storage is attached. Customer is responsible for the cost of reinforcing or improving its walls, and should involve an architect or engineer where appropriate. Attachment hardware should be securely fastened to the studs in load-bearing walls or in another secure fashion, as the architect or engineer recommends.
- Wall mount overheads are predrilled for black wire dividers; two dividers are included. Additional dividers may be ordered separately from the Tablet™ Casegoods pricebook.

Overheads and Stacking Storage

- Stacking storage is designed to be used above credenzas (Fig. 1) or rear units (Fig. 2).

If stacking storage units are required for use across a desk / L return (Fig. 3), or across a desk / bridge return / rear unit (Fig. 4), the overall dimensions of all units must be carefully calculated to ensure proper alignment.

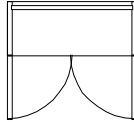

Stacking storage units are designed with side panel support on each end. If the overall width of the stacking storage unit(s) exceeds the total width of the casegoods underneath, the unit will be too wide to be supported as necessary on both ends. For assistance, please contact your Geiger project manager or Customer Care representative at 1.800.456.6452.

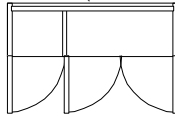

- Stacking storage must have adequate pedestal, low storage or panel support under the worksurface.
- Stacking storage units require fabric covered tackboards which should be specified separately.
- Stacking storage units are predrilled for black wire dividers; two dividers are included. Additional dividers may be ordered separately from the Tablet™ Casegoods pricebook.

- Wall mount overheads and stacking storage units are divided and hinged as shown in plan view below.

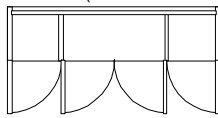

2 doors (30" and 36" wide)

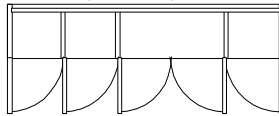

3 doors (42" to 54" wide)

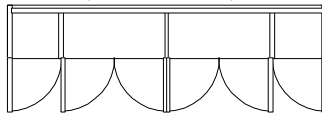

4 doors (60" to 72" wide)

5 doors (78" wide)

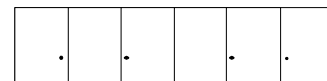

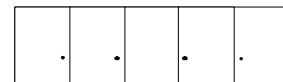

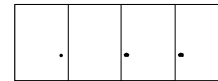

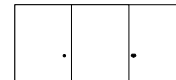

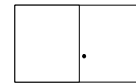

6 doors (84" to 96" wide)

Lock Locations

- Wall mount storage and stacking storage units with hinged doors are available with locks. Lock locations are shown in front elevation below.

2 doors (30" and 36" wide)

Accessories

Refer to the Tablet™ Casegoods pricebook for the following accessories:

- cable managers
- keyboard mechanisms
- mouse pad
- pencil drawers
- wire dividers

Locks
Lock Types
LK Black Lock
SK Nickel Lock
NO No Lock

Notes

When locks are specified, lock cylinders must be ordered separately for field installation. There is no charge for lock cylinders. Products will be shipped with lock chassis installed. Lock cylinders will ship separately, tagged as specified. Installation of cylinders will be on-site according to instructions provided. Geiger will not be responsible for lock cylinder installation.

How to Order Lock Cylinders

1. Calculate the total number of locks per office.
2. For each office, order a lock cylinder kit with the required number of cylinders. Use part number PLUG1 (1 cylinder), PLUG2 (2 cylinders), etc. up to PLUG15.
3. Specify cylinder finish X Black or N Nickel.
4. If a specific key number is required, specify a key number between 226 and 427, excluding 408 and 412. For a factory selected key number, specify Z.
5. Include tagging information (floor, office, typical, etc.).

643	943	Caramel Cherry
644	944	Henna Cherry
646	946	Cocoa Cherry
673	973	Caramel Walnut
674	974	Henna Walnut
676	976	Cocoa Walnut
ED	n/a	Aged Cherry (HMI)
EK	n/a	Med. Red Walnut (HMI)
UL	n/a	Natural Maple (HMI)
UX	n/a	Walnut on Cherry (HMI)

Notes

Geiger beech, cherry, maple and walnut wood veneers are flat-cut and book matched. For products with solid wood edges or legs, the solid wood species used with each type of wood finish is as follows:

Beech finish	maple solid
Cherry finish	cherry solid
Maple finish	maple solid
Walnut finish	walnut solid

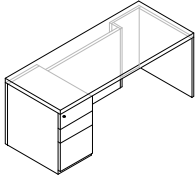

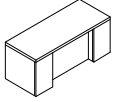

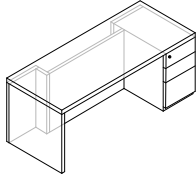

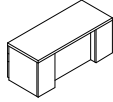

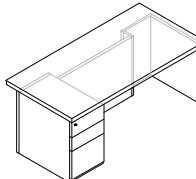

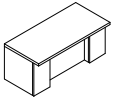

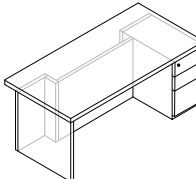

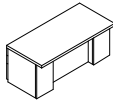

Natural wood finishes are unstained to maintain the natural beauty and clarity of the wood. When the veneer and solid wood species are not the same the veneer and solid may differ in color and graining. When a stained wood finish is specified, the solid wood edges are stained to match the veneer top as closely as possible.

Herman Miller finishes may be produced in either low or medium sheen depending on the product specified. The sheen available for each product is listed in the specific option choices.
