

COMES AROUND  
LOUNGE

A counterpoint to Goes Around's substance, the Comes Around™ chair offers a higher center of gravity and lighter scale in a form entirely compatible with Goes Around. The round back cups the sitter in comfort while promoting a professional posture. The chair's curving form rests atop a metal frame finished in black or metallic silver powder-coat. *Designed by Mark Goetz.*

34W x 28D x 29.75H  
SEAT HEIGHT: 16.75, ARM HEIGHT: 22
