# General Information

## Terms and Conditions

## Order Information

# GEIGER

### Application of Standard Terms

Only the standard terms of sale stated in this catalog apply to any transaction unless those terms are modified or supplemented by a written document signed by an officer of Geiger International, Inc. ("Geiger"). Any terms contained in Customer's purchase order, including standard printed provisions, that are additional to or contrary to these terms, are not effective.

### Use of Furniture and Materials

Geiger assumes that textiles, leathers and products are intended for commercial use and are not being bought for use primarily for personal, family, or household purposes. When installed and used as intended, products remain chattel property, are not considered fixtures, and no interest in them should arise under applicable real estate law.

### Furniture Prices

Prices are determined by using the published list prices in effect when Geiger receives Customer's completed purchase order. If Customer's requested ship date is more than three months after Geiger receives Customer's order, it may be repriced using the list prices in effect when products ship. If Customer designates special finishes or options, additional charges may apply. Services such as design, project management, packaging, storage, inside delivery, double handling, installation, or inventory management are not included in Geiger's list prices.

### COM / COL Procedures

If an order includes Customer-supplied materials, Customer must ship those materials to Geiger at Customer's own expense. The materials must be tagged with Geiger's confirmation number, item number, Customer's name, and purchase order number. Geiger is not liable for inadequacies in Customer's materials. Geiger will notify Customer of any apparent defects in Customer's materials before manufacturing.

### Taxes

Customer is responsible for any local sales taxes or other similar taxes imposed on transactions.

### Delays

Geiger is not liable for failure to ship by the acknowledged shipping date or any other date. Geiger is not liable for a delay or failure in shipment or performance if the delay or failure is caused by acts of omission of Customer, its agents, employees, contractors, a governmental authority, or God; delays in transportation; or other similar causes that are not within Geiger's reasonable control. Geiger is excused from further performance of its obligations for the duration of a force majeure cause.

### Changes and Cancellation

Geiger's acceptance of an order is final and binding and an order may not be changed or canceled without Geiger's written consent.

Orders placed on any of Geiger's expedited shipment programs and orders of custom-dyed or custom-woven materials may not be changed or canceled. To change or cancel other orders, contact Geiger Customer Care in writing for authorization and applicable charges.

### Storage

If Customer cannot accept delivery when products are ready, it is the customer's responsibility to transfer products to storage and products are invoiced at that time. Customer is responsible for actual storage charges and any other expenses relating to the storage of products or materials. Customer bears all risk of loss for products or materials in storage.

### Freight Terms

For casegoods and seating orders shipped within the 48 contiguous United States, surface freight charges are included. For textile and leather orders actual freight charges will be invoiced. Orders are shipped via ground carrier unless requested otherwise.

For orders shipped to Alaska or Hawaii, the freight terms stated above apply only to the port of embarkation. Shipments beyond that point are freight collect. Domestic deliveries are shipped FOB Geiger's plant to a destination designated by Customer by a method Geiger selects.

All textile shipments will be made FOB Geiger Textiles, Yaphank, NY 11980. All leather shipments will be made FOB Geiger Textiles, Hildebrand, NC 28637.

### Packaging and Shipping

Geiger's casegoods products are shipped in component form. Shipments over \$50,000 net are blanket wrapped. Tops and panels are shrink wrapped with cardboard corner protection. Pedestals, storage units, overheads and vertical storage units are wrapped in blankets and shrink wrapped with cardboard corner protection. Blankets are to be returned to Geiger for reuse. If the customer request cartoning on orders over \$50,000 net, there will be a charge of five percent of the net order. Packing materials are recyclable.

Casegood shipments from Atlanta under \$50,000 net are cartoned. Cartoned shipments are packaged with cardboard channels and shrink wrap.

Geiger's seating is cartoned in boxes for all shipments. Blanket wrapping is available upon request.

If Customer requests special shipping or delivery methods, Customer is responsible for any extra costs that result.

### Packaging and Shipping (continued)

Customer obtains title to products and materials and assumes the risk of loss for them upon shipment from Geiger's plant. Geiger reserves the right to make partial shipments, of truckload quantities, as products are manufactured.

### Shipping Surcharge

A shipping surcharge will be added to all orders under \$100,000 list based on the ship-to address. The surcharge is a percentage of the total list price of the entire order, calculated on the base price only. Upcharges for veneer, edges, textiles, pulls, etc., are not counted in the calculation.

Zone 1	3.6% (GA, NC, SC)
Zone 2	4.2% (AL, FL, MS, TN, AR, LA)
Zone 3	4.8% (IL, IN, KY, MI, OH, WI, IA, KS, MN, MO, ND, NE, SD, DC, MD, VA)
Zone 4	5.4% (CT, MA, ME, NH, RI, VT, DE, NJ, NY, PA, WV)
Zone 5	6.0% (OK, TX, AZ, NM, NV, UT, CO)
Zone 6	6.6% (OR, WA, ID, MT WY, CA, Canada)

### International Shipping

Orders for export are shipped Ex Works factory (Incoterms 2000). The charge for export packing is five percent of the net order value. There are no export packing charges on shipments to Canada.

### Claims

All blanket wrapped shipments must be unwrapped and inspected at the dock, in the presence of the driver. Claims for "concealed damage" or "subject to inspection" will not be honored on blanket wrapped shipments. All cartoned shipments must be inspected for visual outside damage to the package.

Damages and piece count shortages must be noted on the bill of lading. Freight claims must be filed within 30 days (including cartoned shipments with concealed damage). Contact Customer Care for a warranty/freight claim form and send it by fax, mail or email to:

### Warranty

Geiger International, Inc. ("Geiger"), 6095 Fulton Industrial Blvd., SW, Atlanta, GA 30336-2806, USA, warrants the products sold by it to be free from defects in material and workmanship, regardless of the number of shifts during which the products are used, for the warranty periods specified below.

This warranty covers the sale of Geiger product in all countries. Not all of the product lines appearing on this list are marketed by Geiger in all countries, and appearance on this list does not imply an offer for sale of a product line in a particular place. Product line availability is defined in current price lists applicable to different regions.

#### Geiger Commercial Office Furniture Products 12 years

All products sold under the Geiger® brand name, except as limited or described below.

#### Textiles and Leathers 3 years

Includes, but is not limited to Edelman Leather, Geiger, Herman Miller, Maharam, and Place fabrics.

#### Nonstandard Products 1 to 5 years

Warranty length on nonstandard products not covered by the 12-year warranty is identified on individual product quotes.

#### All Other Products, Parts, and Services 2 years

Height adjustable bases (electrical parts)

#### 5 years

Height adjustable bases (mechanical parts)  
Task light electronic ballasts

#### 3 years

All service parts

#### 6 months

All other products, parts, and any services not listed above, sold or furnished by Geiger, except for consumable products such as light bulbs and other electronic products for which no warranty is given

#### Other Manufacturers' Products

#### None

Geiger will pass through to the original purchaser any warranty supplied by other manufacturers to the extent possible, including, but not limited to, open-line laminates.

### Warranty (continued)

#### Provisions that apply to all products and services:

During the applicable warranty period, Geiger, as its sole obligation, will repair or replace (at its option) any product, part, or component covered by this warranty and sold after the effective date of this warranty, which fails under normal use as a result of a defect in material or workmanship; Geiger will repair or replace the aforementioned product, part, or component with a comparable product, part, or component.

This warranty extends only to the original purchasers who acquire new product from Geiger, or its authorized resellers. Any product, part, or component must have been installed, used, and maintained according to Geiger's published instructions in order to be eligible for coverage under this warranty and must not have been subject to misuse or abuse. Any modification to the original product voids the warranty. Geiger does not warrant the performance of the product when used in combination with other than original Geiger product.

The warranty period starts from the date of purchase.

This document inclusively describes all of the warranties given and remedies available with respect to the company's products and services. Geiger disclaims any other warranty whether express or implied, statutory or otherwise, in relation to the products.

Geiger does not warrant:

- natural variations in wood grain or figure or the presence of character marks
- changes in surface finishes due to aging or exposure to light
- marks, scars, or wrinkles occurring naturally in leather
- veins, marks, voids, fissures, or cracks found naturally in stone

In addition, Geiger does not warrant:

- failure resulting from normal wear and tear
- the matching of colors, grains, or textures of natural materials
- the colorfastness or the matching of colors of textiles, including an exact match to cuttings or to swatch cards
- damage, marking, or staining of veneer surfaces due to contact with rubber or similar compounds; damage from sharp objects or imprinting from writing instruments, or prolonged exposure to direct sunlight

Geiger tests Customer's Own Material (COM) and other customer-supplied items for manufacturing quality only and does not provide any warranty with regard to these materials.

Geiger does not warrant products that are exposed to extreme environmental conditions or that have been subject to improper storage.

### Warranty (continued)

Geiger's products meet the requirements of national and specific local codes as stated in the price books and other written publications.

**TO THE EXTENT ALLOWED BY LAW, ANY IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE DISCLAIMED AND TO THE EXTENT THEY ARE LEGALLY REQUIRED, ARE LIMITED IN DURATION TO THE DURATION OF THIS WRITTEN WARRANTY.**

**GEIGER SHALL NOT BE LIABLE FOR LOSS OF TIME, INCONVENIENCE, COMMERCIAL LOSS, OR INCIDENTAL OR CONSEQUENTIAL DAMAGES.**

Applies in US only: Some states do not allow limitations on how long an implied warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages, so the limitations or exclusions in the two preceding paragraphs may not apply. This warranty gives the purchaser specific legal rights; however, the purchaser may also have other rights that may vary from state to state.

Applies outside US: Except as stated above, Geiger will not be liable for any loss or damage (including costs) however caused, whether direct or consequential, incurred or suffered by the purchaser or any third party in respect of the products but nothing contained herein will or will be considered to exclude or restrict any liability on Geiger's part for death or personal injury resulting from negligence.

### Limitations and Disclaimers

Geiger is not liable for loss of time, inconvenience, lost profits, commercial loss, or other special, consequential, or incidental damages for any transaction.

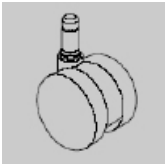

Geiger reserves the right to change its designs, its methods of construction, or its prices, charges, or policies at any time without notice to Customer.

### Design Rights

The designs depicted in Geiger's catalogs and price lists are proprietary to Geiger and Geiger reserves the exclusive right to manufacture them. Any reproduction of these designs infringes Geiger's rights and that infringement will be prosecuted.

### *How to Specify*

- For each product ordered, specify a product number string. The string should include the product number and all finish and detail codes listed at the bottom of the pricebook page.
- Specify the finishes and details in the same sequence shown on the pricebook page.
- Product Number String Example:  
AM1WF-24 943 WE3 CHR  
The product number string above includes all required codes for a MP round table with the following specifications:  
  
Product Number ..... AM1WF-24  
Wood Finish..... 943 Caramel Cherry  
Edge Detail..... WE3 Eased  
Leg Finish..... CHR Chrome
- Basic Price reflects the price of the table without optional features. Add upcharges as shown on the product page for anigre wood finishes, solid edge detail, or base finish.

Base Finishes	Casters	
<p><b>Base Finishes</b> For all MP table bases (no upcharge)</p> <p>926.....Black AS.....Arctic Silver EH.....Metallic Bronze MS.....Metallic Silver PBZ.....Powder Coat Bronze WHT.....White</p>	<p><b>Casters</b> For MP Flex tables (no upcharge)</p> <p>HD.....Hard dual wheels, black ST.....Soft dual wheels, black</p>

### Exceptions

\* Only available with WL3 and WE3 edge detail.

### Notes

Natural wood finishes are unstained to maintain the natural beauty and clarity of the wood. When the veneer and solid wood species are not the same the veneer and solid may differ in color and graining. When a stained wood finish is specified, the solid wood edges are stained to match the veneer top as closely as possible.

Special finish colors may be developed for orders over \$200,000 list upon request at no additional charge. A one time set-up fee of \$250 net will be charged on orders under \$200,000 list for each special finish. In order to protect the quality and durability of Geiger's finish, the chemical composition of the staining materials, water-base sealers, and urethane top coats will not be altered for special finishes.

Exotic veneers such as pearwood, bird's eye maple and sycamore are available upon request, at additional cost.

For further information and procedures for special finishes or exotic veneers, contact your Geiger sales representative.

### Flex Table Nesting

A single finger-pull mechanism at the front edge of each table releases the flip mechanism, allowing it to tilt to 90 degrees and lock into position. Tables can be rolled out of the way and nested with a 5-1/2" offset front to back and a 5" offset side to side. Rubber bumpers on the inside of the metal columns prevent damage to the adjacent table top when nested. Optional modesty panels are hinged, so as the table top is flipped into a nesting position, the modesty panel also eases into a nesting position.

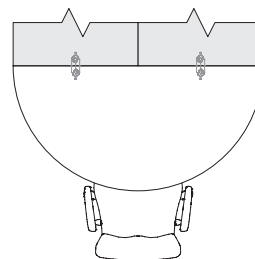

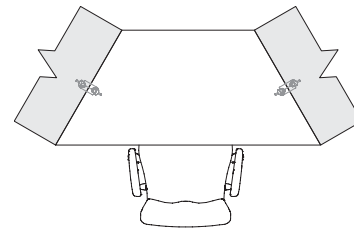

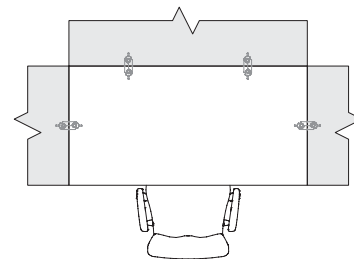

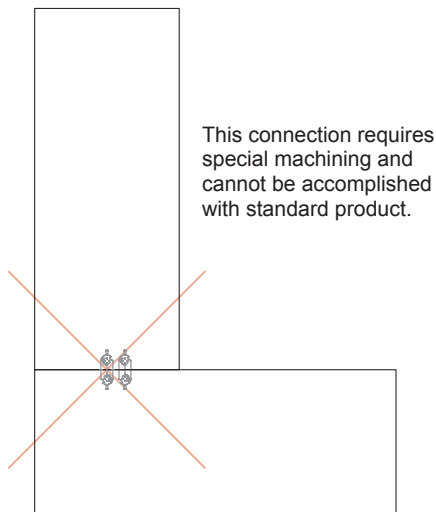

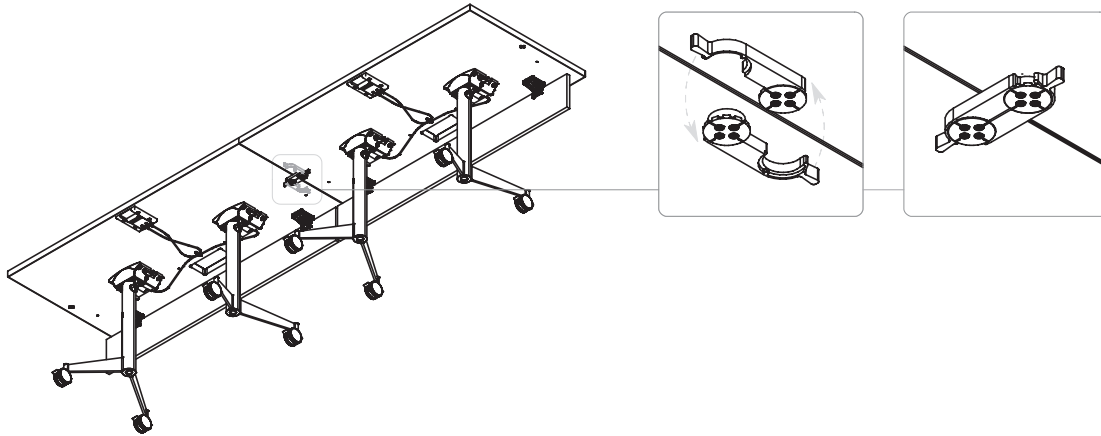

# MP Tables

## MP Flex Tables • Ganging

GEIGER

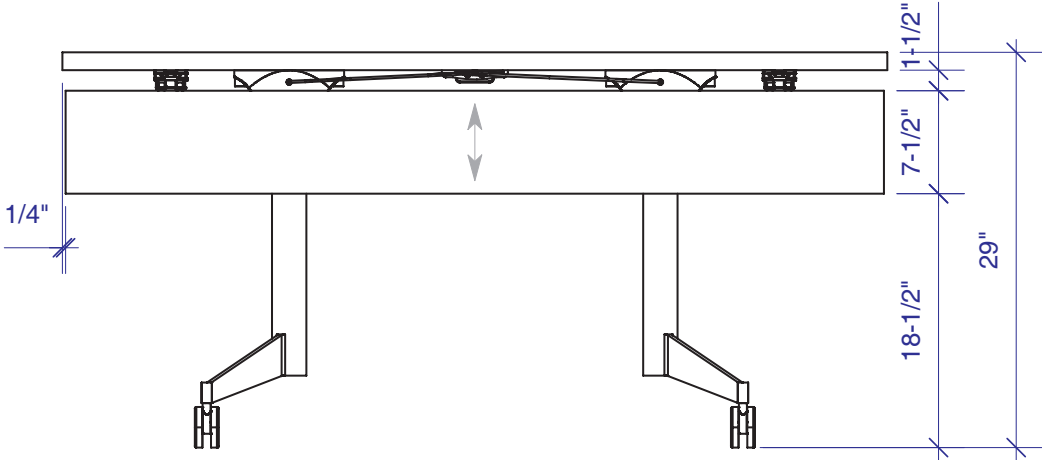

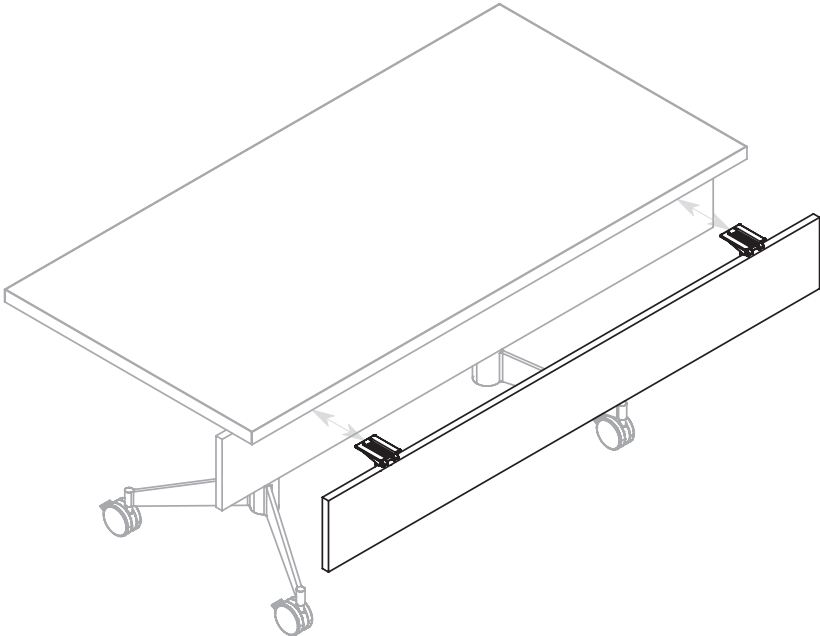

### Flex Table Ganging

MP Flex Tables can be joined using the MP Flex ganging bracket to form various conferencing/training configurations. Ganging brackets are ordered separately as needed. Order one AMGM-1 kit for each side connection and two AMGM-1 kits for each back to back connection. All rectangular, trapezoid and half-round tables are pre-drilled to accept ganging brackets. For best results, ganged tables should be installed on level floors.

**Flex Table Modesty Panels**

MP Flex Tables can be ordered with an optional flip-down modesty panel in wood or laminate. Tops come pre-drilled to accept modesty panel brackets so modesty panels can be retrofitted at a later date as well. Modesty panels are field removable without the need for tools simply by depressing a lever tab on each bracket and sliding the panel off the brackets.

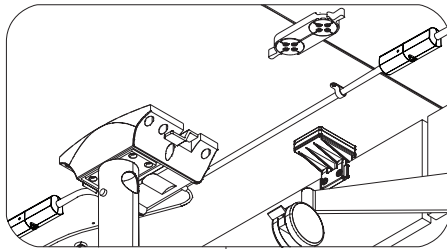

# MP Tables

## MP Flex Tables • Power

# GEIGER

### Flex Table Power

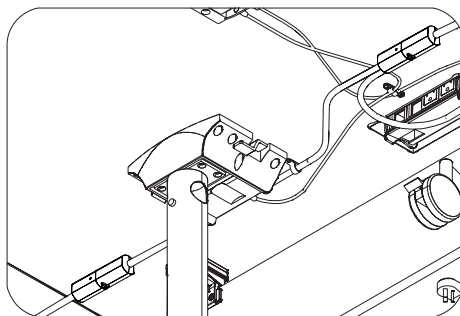

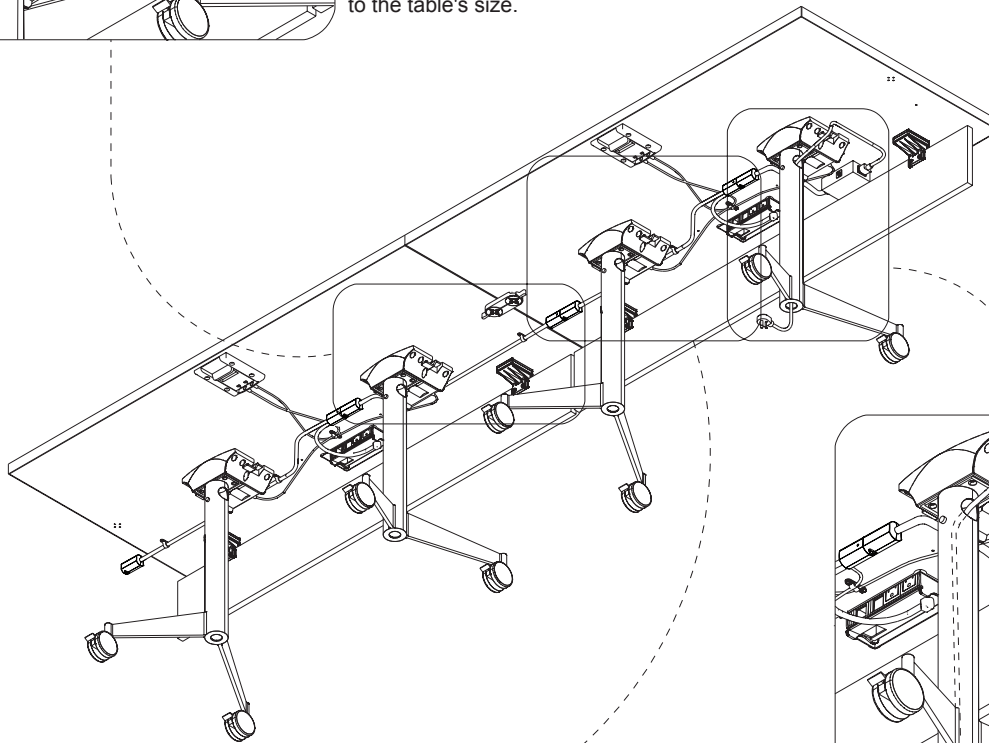

MP Flex Tables can be ordered with an optional tabletop power module covered by a fluid, one-touch door that remains open during use. Constructed of clear anodized aluminum, this unit consists of two power outlets and two slots for voice/data connections. It includes a voice/data adapter kit (A/V adapter kits and voice/data jacks sold separately). The power module is UL Listed and available with either a 15-amp cord or a modular, intelligent interlinking system allowing up to four tables (eight power modules or jumper cables) to be interconnected from a single infeed. This modular system includes an LED indicator that lights "green" when power is supplied and lights "red" when there are too many units linked together on a single power infeed.

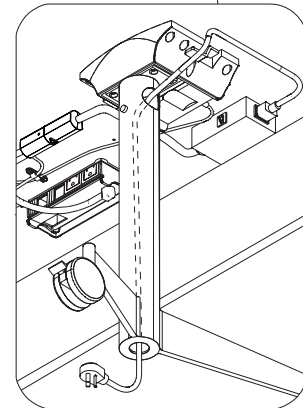

The Jumper Cable carries power across unpowered tables as well as extending power to the adjoining table as needed. When a table is specified with the interlinking connection system, it will ship with the appropriate jumper cable relative to the table's size.

Power Module  
(as seen from table top)

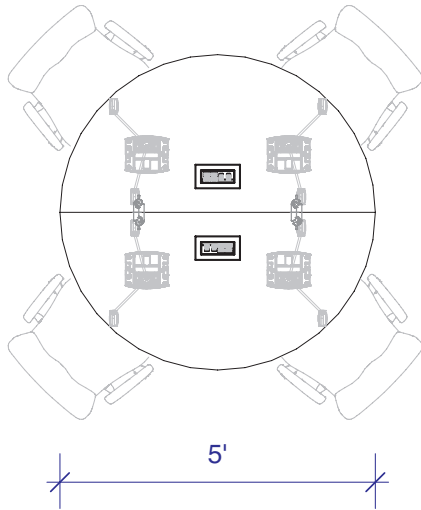

The Power Module includes a 12" cable with modular connector to join to either a Power Starter Kit or a Jumper Cable, and a longer, varying length cable with modular connector to join with an adjacent table's power.

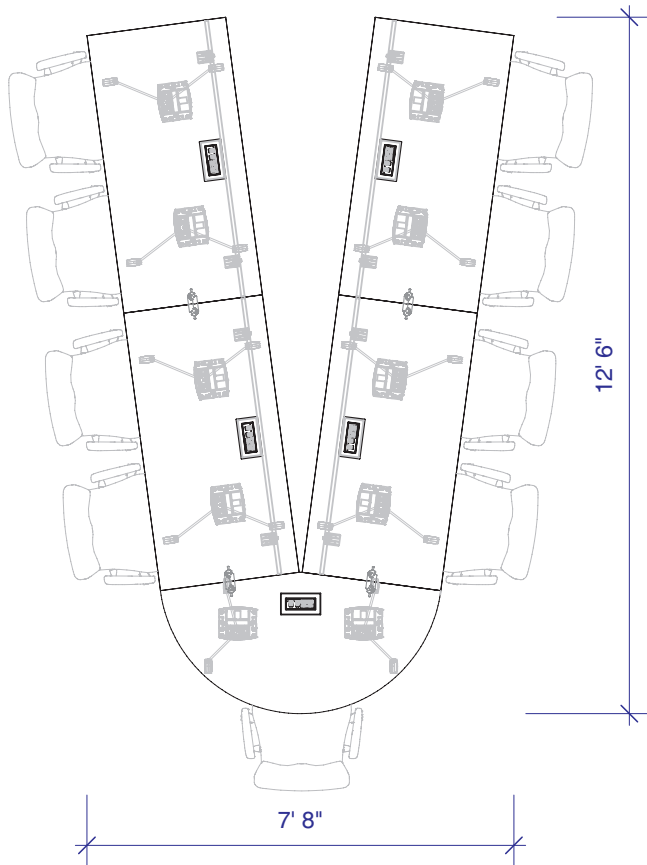

The Power Starter Kit brings power into the modular system and connects to the Power Module. The Power Starter Kit includes a 6' cable with three-prong plug which can be fed through a 1-1/2" hole at the top of the column, through the interior of the base and out a 2-3/8" hole at the bottom, creating a clean transition from tabletop to floor.

### Flex Table Sample Configurations

Samples shown have Arctic Silver bases, modular power components, ganging mechanisms and modesty panels (where applicable).

# GEIGER

## MP Height Adjustable Tables Product Features

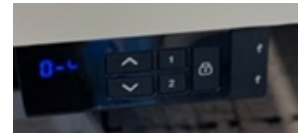

Each table includes a 4-outlet plug strip that can be specified with a 9' cord with a 3-prong plug or with knockouts for hardwiring in the field.

Each table comes standard with a hinged metal trough under the top between the base posts, secured with two latches, to conceal and manage cables.

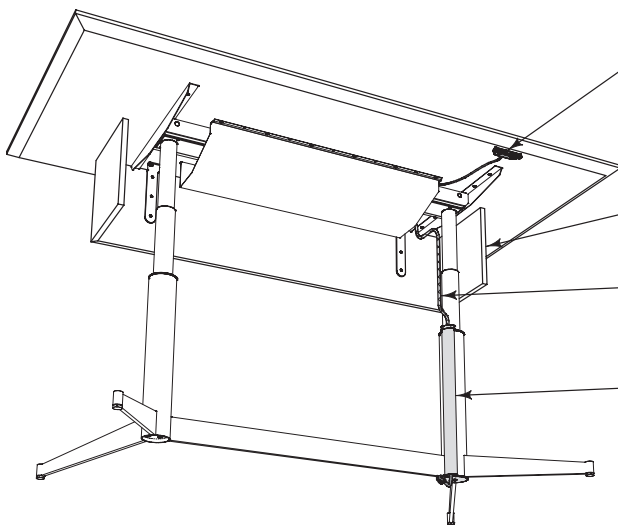

The controller is mounted on user side of the table and includes five buttons (up, down and 2 programmable presets and a lock feature). An LCD panel displays the height of the table. Additionally there are two USB ports on the side of the controller.

The optional modesty panel is available as a mitered three sided panel or a straight front panel in either a painted finish or vertical grained veneer.

The plug strip cord is managed from the top of the table base up to the plug strip by a flexible fabric sleeve which prevents the cable from sagging downwards as table height is adjusted.

The vertical cable manager conceals the plug strip cord alongside the table base. The finish matches that of the table base.
